

Monitoring of small flow rates

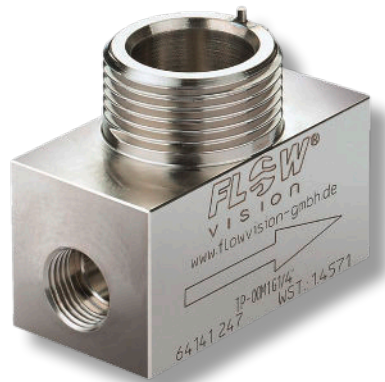

Flow monitor **FS10** in sensor adapter **TP-00**

from
0,03 L/min

Monitoring of small flow rates

Flow monitor **FS10** in sensor adapter **TP-00**

from 0,03 l/min

Function in liquids

from 1,5 l/min

Function in gases

DN 8

Pipe connection

8/10/12 mm

Hose connection

1.4571

Stainless steel

up to 100 °C

Fluid temperature

up to 315 bar

Line pressure

zone 1/2/21/22

Also available with ATEX certification
